The two parties agree to take required steps to enable the following:

1. Both parties will strive to share their academic knowledge and experiences in order to find solutions to the scientific problems of mutual interest.
2. Both parties will facilitate academic staff exchange for scientific purposes; lectures, research, as well as meetings and similar activities.
3. Both parties will encourage student exchange in available fields.
4. Books, other various publications and materials to be used for education, training and research purposes will be exchanged.
5. Both parties will facilitate joint research projects and the organization of joint scientific meetings in the fields of common interest.

### **III**

Details concerning exchange of academic staff and/or students such as yearly quotas, duration of stay, fees etc. will be defined in a separately prepared working program. A similar program may also be prepared for the implementation of the aforementioned joint research projects.
